

HOW IT WORKS in SIX EASY STEPS

STEP 1

Register to become a member

Sign up for **free** and get instant access at apexwoodwork.com.au

STEP 2

Open a new job and enter project details

Enter your job from the huge range of components and customise colours, dimensions and materials.

STEP 3

Generate quotes, instantly!

See pricing instantly. Easily quote jobs for your clients.

STEP 4

Submit projects with one click

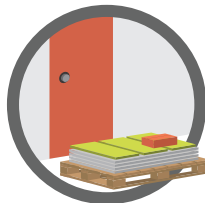

Once your job is approved by you and your client, just hit 'submit' to get it manufactured.

STEP 5

Track jobs with real time project notifications

Track the progress of your job from your computer, tablet or mobile. Receive real time updates.

STEP 6

Delivered on-site, ready to install

Apex Woodworks gives you the flexibility to have your job delivered directly to the site, or for you to organise pick up.

Apex Woodworks is a FREE quoting and ordering system that allows trade professionals to quote and order cabinets in real time, and send orders to us in one click. Projects can be picked up, delivered to your premises, or delivered to site, cut-to-size and ready to install. Become a member and discover how Apex Woodworks will streamline your business.

apexwoodworks.com.au

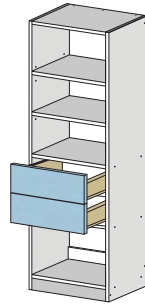

apexwoodworks.com.au

Ordering your cabinetry online can seem a bit daunting the first time, even with Apex Woodworks' simple ordering system. So, if you're just starting out using apexwoodworks.com.au, why not trial it with something a bit less complicated, like robe units?

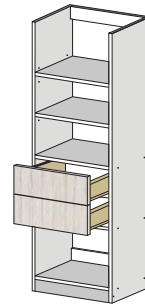

The robe units pictured here are fully customisable to your specifications. Simply select the configuration you require and input your dimensions to our simple online ordering system. You could even combine them with other base units, corner units, drawers and applied panels to put together a fully integrated wardrobe.

Since there are no setup costs you have nothing to lose by giving apexwoodworks.com.au a try. Sign up today for your free account and experience why Builders and Cabinet Makers are raving about Apex Woodworks' online cabinet ordering software.
